Crenshaw Community Hospital Welcomes a New Orthopedic Surgeon – Dr. Prithviraj ‘Raj’ Chavan

Crenshaw Community Hospital is pleased to announce the expansion of orthopedic services with the addition of Dr. Prithviraj ‘Raj’ Chavan starting July 15, 2019.

Dr. Chavan will perform surgery at Crenshaw Community Hospital’s state-of-the-art operating room and hold clinic at the hospital on Mondays of each week.

Formerly with L.V. Stabler Memorial Hospital in Greenville, Alabama, Dr. Chavan is an experienced orthopedic surgeon specializing in the treatment and rehabilitation for work related or sport injuries. He graduated from Grant Medical College and completed his residency at the Sir JJ Group of Hospitals (GMCJJH) in 2003. His specialty training includes a Fellowship in Sports Medicine from the University of Buffalo, Buffalo, New York and a Fellowship in Shoulder and Sports Medicine in Jackson, Tennessee. In addition, Dr. Chavan fulfilled a Fellowship in Joint Replacement at Baylor College of Medicine in Houston, Texas.

Dr. Chavan offers a variety of orthopedic services with both surgical and non-surgical approaches to treat fractures, tears, tendonitis, and arthritis. Having more than 20 years of diverse experience, Dr. Chavan specializes in all aspects of arthroscopy and shoulder surgery. He continues to train orthopedic surgeons in the skill of shoulder repairs and minimally invasive procedures for quicker recovery. He is also researching, inventing and developing devices to enhance the healing process after shoulder or knee surgery.

Crenshaw Community Hospital is expanding orthopedic services and pleased that Dr. Chavan will be working closely with the Operating Room Team, Emergency Department Team and the Physical Therapy Team to offer local orthopedic services.

For additional information or to schedule an appointment with Dr. Chavan, Orthopedic Specialist, please call **334-335-1145**. Most insurances are accepted including Medicare, Medicaid, BCBS, United Health Care, Viva, Humana, Aetna, Tricare, Cigna, HealthSpring and more.
